

Manomay Softwares
C-19, World of Mother, Akurdi, Pune - 35

Mr. Anil Kumar
Pune.

Dear Sir,

Further to our earlier discussion on MIS reports project, we now submit a proposal for your consideration. We believe Manomay Software is the right candidate to collaborate with you to develop your MIS reports, with our high-quality services, commitment, and expertise.

Please find enclosed the detail of the proposal

Warm regards,

Vinod Sabade

Design/Code:	Application will have attractive visual design, created with your feedback and to your satisfaction, and be easily navigable and usable, reports will be designed to display well on all major browsers at all common monitor resolutions.
Technology:	.net MVC 6 and SQL server 2014
Costs:	<i>Approximate development fee:</i> Rs. 2500/- per report drilldown till 3 levels. This figure is an estimate, and can be considered as a quote. It is based on the information provided, and may be inappropriate if additional information is forthcoming, or specifications change.
Change Orders:	The addition of report or significant functions or features not specified here may result in additional costs; Manomay Software will make this clear via Change Orders.
Contract:	<p>This estimate is valid for 30 days from the date above.</p> <p>Maintenance services will be provided for free of cost for 3 months after first production release. Maintenance will only include bug fixing on existing functionalities. Any change request will be charged separately with mutual consent at later stage.</p> <p>Source code will be provided to you after first production release and completion of final payments.</p>
Schedule:	Work will begin within one week of signing of contract. Approximately 4-5 weeks will be required from start to finish, assuming that the processes of providing data, feedback, and approval are free from delays.
